Synopsis

Learn how to pass the Florida Law Enforcement Basic Abilities Test (BAT). The number of candidates taking the exam has increased dramatically in recent years, reflecting the desirability of the profession. In order to succeed against this increased competition, the candidate must be prepared to tackle the unique question types found on the exam. This book contains the most up to date and accurate information to help you prepare for the Florida BAT Exam. Written using lessons learned from the latest exam updates, this manual squarely prepares the reader for all of the exam sub-areas including Memory, Visualization, Deductive Reasoning, Inductive Reasoning, Reading Comprehension, Written Expression, Selective Attention, and Flexibility of Closure.

Customer Reviews

My boy wants to enter the Law Enforcement Academy after HS. Every thing he needs to study to pass the entrance exam is in this book. was the only place we could find it.

This book is ok. It generally tells us what kind of questions I might probably come across when it comes to the real exam. Still working on it. Hopefully I can pass it with just one try!

Solid for learning on your own the basic. Saved me 4 grand of school. Just be self motivated and you'll be fine.

Great review book

Was helpful but had a lot of spelling errors and some answers where not correct

Prepared me well for the exam - However there are a lot of grammar and spelling errors. Also some of the answers are flat wrong. -But overall, good book to prepare you, very simple and to the point.

Very basic book. You dont need this book to pass the FBAT. You can do without it.

It’s almost like the twst...I believe it helped me
