What can I say, Dr. Nappen's "Political Collectibles" wins "The Oscar." It is the seminalguide and encyclopedia of years and years of political artifacts. The book itself is a collector's item. Every social studies teacher should have it in their class. It is a magic wand that conjures interest from all ages.

Very pleased.

I have approximately 800 political buttons and this price guide will be a great help on evaluating them

Interesting, good photograph but not a compendium.

Good
