Customer Reviews

Great help when I go to San Diego - I lived there from 1968-1988, but been gone so long I feel like a tourist when I go back - hence the street map.

Not handy at all. Print is too small.

I love Rand McNally street maps, and their San Diego map is no exception. Detailed, easy to use, all I need to navigate around and plan activities in the city. They always include far more information that I would expect.The one con: It’s very difficult to unfold and refold without ripping the map.

This was great for getting around the city on my vacation. I never got lost once. IT doesnt go all the way up to Legoland though which I needed but there were signs.

It’s good....

Doesn’t cover North County, stops at Del Mar border.

Good and accurate map.

Exactly what I needed
