Synopsis

As one of the country’s most respected evangelical leaders, pastor and author Tony Evans challenges "tweens" (ages 8 to 12) to explore what the armor of God is all about. He understands that Christian kids want to be stronger, more confident, and skilled at living an exciting God-centered life, and so he presents the unvarnished truth.Tony Evans gives kids a plan for success by explaining:Scripture reveals who’s behind the world’s traps and snares and how to resist him.God offers all Christians a powerful suit of armor and mighty weapons.The suit includes a belt of truth and helmet of salvation to wear and shield of faith to carry into the battle.When every piece of God’s armor is worn correctly, the enemy is defeated and Christians finish victorious.By learning how to dress in the armor God provides, preteens are able to speak the truth, stand firm in the faith, and spread the Good News of Jesus Christ.

As we are planning for VBS 2015 for our church, we felt strongly to do it on the theme of "The Armor of God".I was researching for months for good materials to use as a guide and this book is exactly what I wanted. The book is easy to understand and very practical for kids (really, good for all ages).It is filled with good memory verses and appropriate illustrations that we can use as skits. Thank you Dr. Tony Evans!!!

Awesome study. My Sunday school class is doing Priscilla Schrier's Armor of God so I thought my son and I could use this as his nightly devotion and I could help add in things when we discussed but this has added on to my study instead! We have enjoyed it immensely! I recommend this for kids and adults! It is well written and goes into a lot of depth and explanation so kids (and adults) can visualize the armor and its use.

My daughter has really enjoyed this book. I have heard her quote or reference some lessons about being sad to her brother. It made my heart swell. She asked to take it to Sunday school along with her bible.

Tony Evans is such a gifted Bible teacher for adults but in this book he hits the mark for kiddos, too. We're giving this book to some of our grandsons for Cousin's Camp and we love how Dr. Evans opens God's word about the armor of God.

I got this for my grandkids, and I actually love reading it. Lol. I'm very familiar with Tony Evans from TV. Great preacher, so I'm not surprised that his kids' book is terrific, too.

Just used this book as the basis for our VBS, and it was awesome. Dr. Tony Evans has written a wonderful book for "tweens" that I wish every child had the opportunity to read. We had a very successful VBS, and I gave two copies of this book away to children at VBS for memorizing Bible verses. I also gave this book to a new Christian adult. Even though it is written for younger readers, Dr. Evans explains everything so well, that I thought it would be helpful for this person. They have read it, and loved it.

Great to help young people know that God has protection for them!Put on The Armor and never live in fear again.You'll be brave covered in God's protection!

Great book for teaching the armor of God in Sunday school!
