## Customer Reviews

The Reys were born in Hamburg, Germany. Hans Augusto Rey (1898-1977) met his wife-to-be, Margret (1906-1996), at a party in her fatherÃ¢â ¬â„¢s home in Germany; when he first caught a glimpse of her, she was sliding down the banister. In their twenties and thirties they lived in Paris and in Rio de Janeiro, where Hans sold bathtubs in villages along the River. Eventually Cambridge, Massachusetts, became the ReysÃ¢â ¬â„¢ home and community. Throughout their lives the Reys

created many lively books together, including SPOTTY, PRETZEL, and lift-the-flap books such as HOW DO YOU GET THERE? The manuscript of the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and CURIOUS GEORGE was published in 1941. Their incorrigible little monkey has become an American icon, selling millions of books and capturing the hearts of readers everywhere. CURIOUS GEORGE has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS. Visit www.curiousgeorge.com.

Very entertaining stories, as expected from the Curious George line, but more importantly the stories are well translated. Out of all the bilingual books we've purchased this was definitely the best value!

thest type of books are great for helping me learn spanish. fun and not overwhelming (like textbooks). this is actually a pretty big book. should really improve my espanol! i can read and reread a page each day and it's a great help.

Perfect book for parents raising bilingual children. For MONTHS my daughter asked us to read these stories before going to bed every single night. I read the stories in Spanish and my wife in English.

I am learning Spanish and this is helping tremendously!! The English Spanish translation is so helpful in learning how to conjugate verbs and put a good sentence together.

A must-have for all Curious George fans

I rarely write reviews, but this is one of the best values on . Nearly 200 pages of bilingual Curious George stories. Compare this to the price of many of the bilingual board books (which average about $6).

You can't help but love George! He's the cutest! My nephew loves him and I was thrilled to discover this book in both Spanish and English. It'll be put to great use as my nephew in a bilingual

kindergarten class. I can’t wait to read the stories to him in both languages and have him understand them completely and then someday be able to read them all by himself.

LOVE having Curious George stories in English & Spanish for my bilingual 2.5 year old son and my Spanish-speaking mother-in-law!
