Customer Reviews

Brighter Child workbooks help children build a strong foundation for learning. Fun activities and colorful practice pages reinforce essential skills and concepts. With Brighter Child Spanish Grade 1, you can help your child master language skills for school success. Inside this book, find activities that teach: Spanish vocabulary; parts of speech; Spanish introductions and greetings; listening skills; Spanish songs and chants.

This is a good and inexpensive book for younger students, I would say preschool, kinder, and 1st grade, who have not had any exposure to the Spanish language before. It is very basic, but if the teacher knows Spanish, this can be an entertaining book, just to complement your class, or use as homework material

Great product Would deal with again.

Great for beginning spanish with children. Basic everyday words to build on. Fast shipping.

Love these books. Very helpful

I ordered this workbook for my granddaughter. She is in kindergarten and learning Spanish. Good product.

love it

Great book

Very limited vocabulary. I would not recommend this product.
