Synopsis

Life is messy. Just look at Joseph. You might remember the Old Testament story. He was tossed in a pit, wrongfully imprisoned, forgotten, and dismissed. But JosephÃ¢â ¬â„¢s story contains an audacious promise. Whatever mess you face, God will use it for good. He did for Joseph, and he will for you. In the meantime donÃ¢â ¬â„¢t become bitter or angry. Do what Joseph did. Trust in God.

Customer Reviews

More than 100 million readers have found comfort in the writings of Max Lucado. He also ministers at the Oak Hills Church in San Antonio, Texas.

I sent this book to my brother, who is currently in jail for a drug problem. He read it and immediately felt God moving in his life. He took out his bible and began a regular bible study with the other inmates. This book opened his heart again. It’s worth it. I wish I could send a copy to every inmate.

Max Lucado gives inspiration to hold on and be calm when times get rough and tough because God will use them for good. The story of Joseph who was abandoned by his brothers, who later sold him in slavery, Joseph who was imprisoned became the second most powerful man in Egypt and saved people from famine. Max Lucado also included verses for inspiration.

Max Lucado is a good author. Sometimes it’s really tough to trust God when nothings going right. It

makes it easier if something good comes of it. Like the story of Joseph.

Less than 50 pages with large font and very large margins. Its a little feel good piece about going through tough times using Joseph's life as an example to persevere with positivity. Opinion: very superficial lacking depth. Too short to be used as any kind of study. Kind of similar to a homily compared to a sermon. I really like Max's books and own several. This book doesnt stackup to the others i have read. It was not what i was expecting.

Max Lucado is very good at distilling Biblical wisdom into real life situations. I found this book to be very short as his books have become lately. Some would say it's to the point. But when you're going through a difficult time, 'short and sweet' can feel clichÃƒÂ©. This is a frequent subject of Christian writers and Max does it just as well as anyone. "Where is God when it Hurts" by Philip Yancey was a little meatier.

Great author and content but very poorly constructed product. It is a pocket size pamphlet printed on very cheap paper. Definitely not what I expected for the price.

Short (51 pages) but excellent book by Max Lucado. I'm using this for inspiration for a friend finishing his residency in Surgery! I bought it with a Hebrew Scripture (Jeremiah 29:11) keychain (not included).

It's easy to forget that we will get through bad situations when we are in the middle of them. This book is a great reminder that not only will we get through them, but that God will use those very same bad situations for good in our lives. God's grace will see us through...This one is a keeper for my library.
