Customer Reviews

I love all little golden books but I love mickey & Donald best of all I have lots of little golden books about them.

An enduring classic.

Cute book. Grandkids love it.

Great for the price!

Gotta love this classic Disney book. Kids and adults will love it!

The old Mickey Golden Books have the weirdest story lines! Strange, bizarre story about how Mickey and Donald are in a contest to build a rocketship to outerspace but Pegleg Pete (back when he had a pegleg) sneaks onto their ship but can't find a space suit so they have to go back, or something. So weird and no moral.

Great

Not a story suitable to children. Violence and bad behavior by characters.
