Customer Reviews

Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

My only complaint is that the plastic comb binder is too small to comfortably use the book. I removed the last chapter - now I can page through it and open it on a music stand without damaging the pages.But the content is great. It contains material to keep me busy for a long, long time. I especially like the CREATIVE ACTIVITIES in each chapter.
