Synopsis

For the first time, Star WarsÃ Â® A Musical Journey (Music from Episodes I-VI): Instrumental Solos includes selections from all six Star WarsÃ Â® movies arranged for flute, clarinet, alto sax, tenor sax, trumpet, horn in F, trombone, piano accompaniment, violin, viola and cello. The arrangements are completely compatible with each other and can be played together or as solos. Due to level considerations regarding keys and instrument ranges, the wind instrument arrangements are not compatible with the string instrument arrangements in this series. Each book contains a carefully edited part that is appropriate for the Level 2--3 player and a fully orchestrated accompaniment CD. Each song on the CD includes a demo track, which features a live instrumental performance, followed by the play-along track itself. Also included is 4-color art as well as black and white art from the movies. Titles: Star Wars (Main Theme) * Jar Jars Introduction * Augies Great Municipal Band * Qui-Gons Funeral * Duel of the Fates * Anakins Theme * The Flag Parade * Across the Stars * The Arena * The Meadow Picnic * Battle of the Heroes * Cantina Band * The Throne Room * The Imperial March * May the Force Be with You * Princess Leias Theme. This title is available in SmartMusic.

Customer Reviews

This review is for Star Wars A Musical Journey Episodes I-IV Instrumental Solos, with CD. I purchased the cello version of this sheet music. This book includes standard piano accompaniment, plus the solo cello music also comes inside the book as a removable insert. The printing quality is

excellent.The CD is well thought-out and organized. The CD musical accompaniment quality is good -- not the terrible midi tones you get with some sheet music. Each song has the recorded "demo" version of the song, then another track with the "play along" version, which is like the "demo" version without the cello.I deducted one star because the CD failed at track 29. I tried it on three different computers, and could only access the first 28 tracks. I emailed the publisher (Alfred)recently and am waiting to hear back. Even withouth the last few tracks, I was able to access the music for the most popular songs. These included "Star Wars main theme," The Imperial March, and Across the Stars.++++ Update 6/17/2011 ++++ I recieved an email and a replacement book from Alfred. The CD in the replacement book was flawless. Very good customer service.I would highly recommend this book.

My grandson loved this!

I love this book. The solos are easy enough that I can sight read them but not so easy that I get bored.

My teenage son loves this book!

This is not a book just for cellos--it is for piano & cello duets (where the piano is the main instrument); so that isn't what we wanted and it was a bit disappointing to my daughter.
