Synopsis

With your crayons and markers you'll have no trouble learning exactly what the soldiers from both North and South wore during the Civil War. Peter Copeland, historical artist, has drawn 21 Confederate uniforms and 24 Union uniforms for this coloring book. Here are the men from many different states and ranks (privates, volunteers, captains, a drummer boy, a mule driver, corporals, and others) as well as several historical figures Ã¢â ¬â • General Robert E. Lee, 1863; Dr. Mary Walker, woman nurse, 1865; Major General Ulysses S. Grant, 1865; Admiral David Farragut, 1865. Each illustration is accompanied by a full caption that describes the authentic colors for the uniform. All 45 uniforms are shown in full color on the covers.

very nice

These are great coloring books and I highly recommend them

I purchased this coloring book for my 7 year old son for his birthday and he loves it !!It not only shows you all the uniforms during the civil war era but gives you a detailed description of them also.I

definately strongly recommend this to anyone purchasing a coloring book for a child who is interested in the civil war !!!1

He sits and colors when he feels like it. I ordered one for me too. I enjoy coloring in mine more than him.

I was very amazed at the uniforms and how hard their life was during the Civil War. Freedom did not come easily.

good

"Civil War Uniforms" by Copeland is one of my favorites. The color guidelines and details of the uniforms allow them to come alive. Each page tells about the unit that the soldier would have served with. The pictures are very detailed, yet can be enjoyed by children as well as adults. I have become a collector of coloring books, and this one is certainly at the top of my list.
