Synopsis

Imagine living in a world with no moral absolutes. A place where truth is in the eye of the beholder. A society with eroding standards. Sound familiar? Yet this dilemma is not new. The prophet Jeremiah was called to take a public, and unpopular, stand for God’s truth. His story can inspire us to make the powerful, decisive choice to say firm in our faith and values.Part of Dr. Warren W. Wiersbe’s best-selling "BE" commentary series, Be Decisive has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe shares the need for decisive believers in a lukewarm culture.

These "Be" eBooks are great for reading and mostly Bible study. There is a lot of valuable information in them and I can take it with me everywhere...on my tablet and phone. I can read them when I am sitting somewhere waiting. I would definitely recommend them ALL.

Warren Wiersbe is a must read for any Christian, beginner or well studied!

Warren Wiersbe's study on Jeremiah is very inspiring and helpful.

I love learning more about God's word and Warren Wiersbe certainly has helped me. By praying before digging into HIS word, Warren Wiersbe's studies are very good and I certainly haven't felt in my spirit anything that contradicts God's word. I have ordered many of his BE series and I'm never let down by them. God certainly uses this man to teach HIS truths if we are willing to yield. Be blessed by using this along with his other studies along with your Bible.

Great study. Very interesting how times back then can relate to today. I'm actually on my second time through it so that it really soaks in. I highly recommend this book to anyone that is willing to put the time in to really relate it to their own life. Well worth the money.

In typical Warren Wiersby fassion, he brings the book of the prophet Jeremiah to us in a way that we can understand. Illustrations and timelines used in the book helped me to better grasp the chronology of the book and to more clearly see its application to the lives of God's children then and now. I have not found a better Old Testament commentary. I use his books for personal study, Sunday School lessons, and sermons.

This is clearly a lesson for us today. We need to understand that God requires us to be obedient. He wants our hearts. Wiersbe definitely makes that clear from the lessons.

Love it
