A good joke book, but a little juvenile for my taste.

not what i thought it would be , didnt like at all.

good joke book. nice variety.

I first bought this for myself years ago and have referred it when I need a joke to get people laughing. I bought this as a 2nd copy to give my Dad for his 70th birthday. I am sure he will find many off-color (and family-friendly) uses for it.

love it

thanks

Pretty lame. Should have a drum rim shot and cymbal crash after every joke.

I gave it to my host father because he is usually a big dad-joke provider, and so far he has been delighted with the jokes, he won't stop telling them! Excellent gift for the type of person he is!
