Synopsis

Thelma Madine, star of Channel 4Ã¢â ¬â„¢s Big Fat Gypsy Weddings and fairy godmother of Gypsy weddings, reveals the drama, secrets and surprises involved in ten gypsy weddings.Through the tales of ten elaborate Gypsy wedding dresses Thelma offers a new window onto the remarkable world of ten brides and their extravagant weddings. For ThelmaÃ¢â ¬â„¢s young brides, a wedding dress is more than just a pretty white gown; for some it is a symbol of their fairytale-like hopes and dreams for the future, for others a mark of a long-standing friendship with a non-traveller they have welcomed into their community, and for a small group a sad reminder of day they know will never come.With each chapter based around the secrets and incredible truths hidden behind a different dress, ThelmaÃ¢â ¬â„¢s second book is packed full of fascinating new stories. More drama, more dresses, more gypsies.By turns laugh-out-loud funny and achingly sad, and brimming with hilarious anecdotes and larger-than-life characters, ThelmaÃ¢â ¬â„¢s book will amaze, amuse and entertain.Beautifully designed, and fully-illustrated throughout, it is crammed with glossy new photos, revealing never-before-seen dresses adorned with thousands of Swarovski crystals and hundreds of LED lights Ã¢â ¬â œ an ideal gift for fans of Channel 4Ã¢â ¬â„¢s Big Fat Gypsy Weddings, My Big Fat Gypsy Valentine and ThelmaÃ¢â ¬â„¢s Gypsy Girls.

Customer Reviews

I love reading Thelma Madine's writing. She's part anthropologist and part business person. I admire her as a self starter and someone who writes honestly about her experiences and presents her views on a culture I really knew nothing about. This book is the story of ten of the weddings that she made dresses for and some of the girls she worked with in the dress making series. It gives more information and detail than the tv shows and introduces new characters. I'd recommend both her books.

I am an avid follower of My Big Fat Gypsy Wedding and Thelma's Girls. I have her first book and loved it from cover to cover and this second book is just as fascinating to read. The pictures are phenomenal and I hope she writes another book soon!
