Great book!!!!!!

Don’t waste your money this book does not show you how to draw or color. Instead it promotesthe artwork of the author. And the text is way too small for a book that size. I should have known better when only 6 people like it.

Get it for learning how to watercolor, not for how to draw. 1-2 pages on subjects like body types and clothing wrinkles barely scratch the surface of how to draw, but the watercolor step-by-steps are fantastic.

I was pretty shocked to get this early in the mail! This book is amazing and it has several watercolor painting tutorials. However, this book is not a how to draw manga book, which was fine with me. If you are looking for book that explains painting with watercolors I would recommend this book to anyone that is fan of fantasy or manga style art. This book is really helpful if you have some background knowledge in painting because it is one step up from a beginners tutorial painting book. If you are beginner, you might want to pick up this book to have on hand once you get better. :) Also this tutorial painting book covers fantasy based artwork so it’s pretty true to the title of the book.The tutorial steps are not as long compare to Shojo Wonder Manga Art school but I think that is because Ecthelian uses more layers with Copic markers to get textures or certain shades of color through blending.If you are looking for a how to draw or use Copic markers tutorial book, you should pick up Ecthelian’s other book Shojo Wonder Manga Art School.What does this book cover:-Watercolor Painting Techniques-Tools-Eastern and Western Fantasy Characters (The book focuses on characters more then background settings.)-A Mix of Backgrounds, Anatomy, ETC.-There is more but I don’t want to spoil it for you all. :)I hope this helps anyone interested in picking up this book.

Great book on learning watercolor techniques! Great for experienced artists who want to try a new medium.

Great! Very helpful in learning how to draw Manga characters. 4.5 stars

Lovely picures and the details are great. Whish it had more content in it.
