Synopsis

Written by Gad, seer of King David, about 1000 BC, this book of prophecy is recommended reading by the Bible, but was never included in the Canon. It was thought to have been lost over three millennia ago. The books of Gad, Nathan, Ahijah, Shemaiah and Iddo are referred to as Ã¢â ¬Å“The Lost Five.Ã¢â ¬Â• This long-lost book includes two revealing sermons given by King David. We have a prophecy that outlines the end times beginning with the Rapture, the seven-year tribulation and the establishment of ChristÃ¢â ¬â„¢s millennial reign. More intriguing than that, it actually reveals who Mystery Babylon is and how it tries to destroy the Jews though a union with Islam, both groups having different replacement theology religions. There are also two discussions on how the Law of Moses views Gentiles. Do they keep the whole Law or not? This book is a real eye-opener for those who are interested in Bible prophecy and Messianic Judaism. Brought to you by Bible Facts Ministries, biblefacts.org

surprising revelation of its existence. a thoughtful and careful historical and canonical placement of a book long lost. This author is worth following and reading in his other works. I have already loaned mine and am buying another.

Interesting reading. Ken Johnson does a good job linking extra-biblical writings to the Bible appropriately separating that which is consistent with the Bible and that which is not. If you are a

student of the Bible, Johnson's books are a good conservative supplement to your study. I own several of Johnson's books and am in the process of purchasing more to augment my studies.

Ken Johnson is a brilliant man. What I enjoyed about this book, is that it is written in a simple manner that anyone can understand. Lots of biblical information. Really enjoyed.

Once again Mr. Johnson has succeeded in bringing the Bible to life. I thoroughly enjoy the insight into ancient history as well as the glimpse of Christ's return that is visible to those who, like Simeon, are watching for it. For those who would categorize these works as anti Biblical, in my humble opinion, that couldn't be further from the truth. There is great benefit in the principle of multiple witnesses.

An excellent book, taken from Old Testament scripture, proving the pre-tribulation rapture, the 7 year tribulation and the Second Coming of Jesus Christ at the conclusion of the Tribulation. Some of the scrolls were found hidden with the Dead Sea Scrolls, and other scrolls have been found proving that The Seer Gad was with King David during Davids rule over Israel. An excellent book that every born-again Christian should read!!

Loved this book, gives me additional knowledge of people in the Bible, Thanks so much, will be reading more, I Love Prophecy and know we are living in the last days

Am reading it now. Adds details to the history of David the King that are not in the King James version. Although I judge it by the King James version

Ken always write a great book. I have 99% of the books that he has written and I cherish them all. His knowledge of ancient history is very good.His approach to ancient history is good. He does not try to add his own ideas of what they thought and did so long ago. It was a good overview.
