STEPHEN KING was born in Portland, Maine in 1947. Many of his works have been adapted for the screen including Carrie, The Dead Zone, The Shining, Christine, Salem’s Lot, Firestarter, Cujo, Pet Sematary (for which King wrote the screenplay and had a bit part as a minister), and Misery, as well as several others. The popular movie, Stand By Me, was adapted from his novella, "The Body" from Different Seasons. In 1992, Sleepwalkers was produced from an original screenplay by King.

I have speakers in my pillow. I turn on my mini stereo and listen to one of the CD’s. Before I know it

I’m sound asleep but the next morning I put the CD in my portable CD player listen to what I missed as I do my work around the house. 6 stars!

This product is great. Used it on a roadtrip to Florida. John Glover is Smallville’s, Lex Luther’s Father. Good reader. After the first few stories he gets into the stories more and they add background sounds into a few of them. I like that. It adds to the story. I recommend this product.

To break up our Halloween movie watching, we like to park some place scary and listen to or read books. This was a great addition to our collection. We’ve enjoyed listening to it the past couple Halloween seasons.

John Glover does a superb job narrating this great collection of short stories.I could listen to them again and again.

It’s Stephen King, which makes it no less than awesome! John Glover does an excellent job reading the stories; his voice really draws you in.

Have yet to listen to this but I do like Stephen King.

To hear them read aloud is quite interesting, and the story choices are great, though there are some I would like to have seen in there that weren’t.

This collection of short stories is typical Stephen King. Some are awesome, some not so good. But if you’re a King fan, you’ll enjoy them.
