Synopsis

Based on a vignette in the classicÃ Â Curious George Flies a Kite, this story features George finding a hutch of adorable bunnies. He thinks it would be so much fun to play hide-and-seek with one of the baby bunnies, so he lifts it from its cage, sets it on the ground, and closes his eyes. ButÃ¢â ¬â •oh, noÃ¢â ¬â •the bunny runs off, and George can't find it anywhere! Luckily, Mother Bunny comes to the rescue. This board book with sturdy pages is perfect for little ones who love playing hide-and-seek. The classic artwork of H. A. Rey will make this a favoriteÃ Â to be read again and again.Ã Â

Book Information

Customer Reviews

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he studied philology and natural science at the University of Hamburg. He then married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS.

Cute, cute, CUTE! You cannot go wrong with Curious George. This book is a board book but reads between a board book and a paperback (meaning that there is more of a story than some board books but it isn't too wordy where as to loose the 2 year olds).

I got this to go along with a Curious George plush toy for a great-nephew's first birthday, and it was a great combination. Most of our family is crazy for books, so we're getting him off to a great start.

Decent condition. Cute book

I ordered a covered book and received a board book. I read this book in the library and it starts off at george 's home with the man with the yellow hat ,who tells him to be good. There is a ball and the bunnies house outside. This board book starts at the bunny house.

We love Curious George so this was a must for my 8 month old's Easter basket. As far as board books go, it's what you would expect, but such a classic.

My daughters, aged 2 and 6, love this book so much. It's a sweet story and it is a quality, durable board book

My daughter loves the pictures in this book ....when I ordered she coyldntbwait to get ....Got in a very timely matter

This is by far my favorite Curious George Story. Really cute and classic. I can't wait to share it with this next generation. The quality of this item was perfect. It arrived quickly and with no issue. Thanks.
