Updating my review- The first copy was missing pages 122- 155; total disappointment because it was a gift. I called and they sent out another copy which was perfect. At the end of the book it includes the first chapter of the next book in the series, not a reprint of the first chapter.Call/ email if you have a book that was missing pages- they will send you a corrected book :)

The series is very good and my daughter and I have both enjoyed reading it. However, I was very disappointed to find a whole section of pages missing from this book. In fact the end of the book reprinted pages at the end, but I missed a big section of the book before the ending. I do wish Probst would have carried the ending a little further to their actual rescue and rejoining with their parents.

My daughter is enjoying the movie. Thank you.

My 3rd Grade class absolutely loves this series. It has an amazing detail to the story which keeps the students coming back for more.

I would definitely recommend this for anyone who lives Survivor!!! I would also recommend this to teens as a great read!! Loved it, and I am in my 40's!!!

My copy of the book skips from page 122 to page 155, which leaves the reader quite frustrated. Additional matter in the back is also printed twice. Obviously an error in printing. Sending this copy back and quite hesitant to order another. Very disappointed.

I have been looking forward to this one and I was not disappointed! Awesome series. I can't wait for the next one! Thank you Jeff Probst!

Missing 122-155 pages in the book. that sucks,,,
