Customer Reviews

Nicely done book. Easy, quick read. Learn about Duke!

I enjoyed it, it was informative. Having been to Hawaii recently it gave me some insight to life there.

I liked the stories and pictures about Duke, but this was more like a child's book. It was a really tiny (in size) and short. I read this in about an hour. Now I need to find another book to read more about Duke.

The book was very good. I liked it immensely. I thought it was packaged very cutely.Daralyn Griffin-El

A quick read. Duke added so much to Hawaii. He is truly missed. There will never be another like him.

great read

I lived in the islands for years, and was always interested in tales of the Duke. It’s a good but simple book. It’s not as detailed as I had hoped for. I love going to his restaurants, too.

nice gift for someone who likes surfing or Hawaiian history/culture
