Synopsis

Santorella Publications is proud to present our Instrumental Fingering Poster Series. PERFECT FOR THE BANDROOM, CLASSROOM, PRIVATE STUDIOS OR SIMPLY AS A BEGINNERS QUICK REFERENCE GUIDE WHILE PRACTICING AT HOME. These graphic 11 x 17 illustrations of assorted Brass, Reeds, Wind & Stringed Instruments are printed on heavy (100 lb) wall-mountable sturdy stock. This constantly expanding series currently includes Trumpet, Flute, Alto Sax, Trombone, Clarinet, The Circle of Fifths, French Horn, Tenor Sax, Euphonium, Tuba, Recorder and Violin. Each poster displays the complete range of each instrument by depicting a complete chromatic scale with fingering for each note, including every alternate enharmonic substitution. Each Fingering Poster also includes a Circle Of Fifths; diagram printed on them as well. This diagram is an essential tool for understanding how accidentals determine the key signature. Learning all the keys is an imperative element of music study which is the reason we also created a separate Circle Of Fifths; full size poster, dedicated towards accomplishing this task. Santorella began in this industry by making a big splash with quality products written for brass, reed and stringed instruments. After spending over 20 years to successfully grow an extremely diverse catalog, we strongly feel that we have successfully re-established our roots. Be sure to keep your eye on Santorella Publications as we make a conscious effort to return to the mother ship, and take the lead once again in developing fun, exciting, and challenging new products for all instruments.

Customer Reviews

Pretty poster - when finally shipped it with minimal creasing. Had to have a new one sent out and

that one was marred as well but decided to not deal with it anymore..Good size and coloring. My son loves it!

thanks

Easy to use to find the correct placement. My only complaint would be the chart isn't very big so you do have to stop and find the right note. Not a quick glance.

What a great teaching/learning tool. As a professional musician, I highly recommend this line of posters for all instruments

Keeping that chart on my wall, easy to read and good reference. Good looking poster too.

Thought it was bigger, so now I feel like it's a bit too pricey.But whatev, It'll do for my purposes.

I love this poster so much I wish it was bigger though.

Son loved it!!
