I first encountered these "Top Ten" guidebooks when I went to Iceland! They are fantastic! Now they are my go to choice for traveling! Excellent pull out maps! So far, I’ve used the New York book to choose a hotel, book a tour and decide what I want to see!

Had exactly what I needed. I got it in Kindle format. Used it on my iPad as we toured New York.

Lots of information packed into a compact book, easily carried. Maps are great. Even friends in NYC found things they never knew about! Highly recommended.

This guide and handy pull out map was an excellent resource for my trip to NYC!

This May, I will travel to NYC for the first time. Using this book enabled me to narrow down which locations I want to visit.

A great guide to take to NYC...DK is a nice size and covers everything you need to know and see.

YAY...son and daughter-in-law planning a trip to New York City this year (2017). They had the 2016 edition, and loved getting the updated version. Thank you.

This book was a great resource during our visit to NYC for Thanksgiving week. Very good information about sights and museums. Easy to carry and reference.
