Customer Reviews

WELL,,, my wife speaks Spanish and did not understand when bought that this was only digital order and had to be printed.My main problem is that once you hit the button,, it is yours,, No way to cancel. She lost only 4.00.,, but only expressing,, you can notmake error and buy any digital item and change mind. After finding needed to print out,, she bought the cards in hard form, sent to homein two days. WIll not use and could easily find my own off internet if I wanted to print and make the cards. They are free online. I know, becauseI simply typed in and up pop the 100 Flashcard Questions to be printed.

I never received this item on the mail. Only gave one star because I couldn’t give it any less.Very

disappointed.

Perfect for practicing for citizenship test or quizzing student studying for history quizzes.

It’s very helpful, I can review the information without having to carry the big book they gave you to study.

It is very practical, works better if you have some one else asking you the questions. My interview is next week, I will go trough the flash cards one more time. Wish me luck.

excellent to do us citizenship test

I know it didn’t cost much but I kind of resent even paying what I did for it. But it’s very good and helped me a lot.

I love it
