Synopsis

Getting Your Citizenship (high-beginning to low-intermediate) is a consumable text for students studying to pass the Citizenship exam. Concepts are presented at a higher level of English and at a quicker pace than in Entry Into Citizenship, with less reliance on graphics for explanations. This text is based on the "100 questions" to allow students to study specific information required. Helpful illustrations, preview questions, and practice questions keep students engaged and highly interested in the material.
