Synopsis

Now published quarterly, the Consumer Edition of the Kelley Blue Book Used Car Guide includes current trade-in values, private party values, and suggested retail values on more than 10,000 models of used cars, trucks, and vans. Covering 15 model years, the book includes VINs, original list prices, easy-to-use equipment schedules with values for optional equipment, and a table of acceptable mileage ranges by year.

Customer Reviews

It did not give information on model we wanted to purchase (Toyota Avalon), year 16/17 nor Impala 16/17. I found Consumer Report edition on cars much more helpful; should have just gone to Internet.

No problems with this order. Delivered as described.

The KBB has always been an indispensable tool for shopping. I never sell or buy without consulting it.

Factual guide to current car prices.

thank you, nice purse size.

Always buy a Kelly blue book when shopping for cars!

This is a very helpful book, and can either save you a lot of money, or make you a lot of money if you used it wisely.

Really helped!
