Synopsis

Do others look to you for leadership? Do you face a major task or shoulder heavy responsibilities? Do you want to take your leadership skills to a higher level? When Nehemiah confronted the task of rebuilding Jerusalem’s wall, he was heartbroken by the damage he saw and nearly overwhelmed by the task that lay before him. Yet through the application of timeless leadership principles, Nehemiah completed this nearly impossible project, and laid a pattern for success which is just as valid for us today. Charles Swindoll brings his sensible and straightforward style to offer a deeply spiritual approach to the role of leader. Whatever the context, secular or ministerial, he demonstrates how to size up a task, organize and motivate a team, and respond to inevitable obstacles such as these: Unforeseen setbacks Unrelenting deadlines Criticism and outside resistance Personality conflicts Financial pressures and temptations The insights that Swindoll draws from Nehemiah’s wise administration will change your approach to leadership forever.

thank you for allowing me to purchase this book. it is wonderful. several months ago, I heard a sermon on Nehemiah from chuck swindoll. he often goes where most pastors refuse to go which is deep subjects without candy coating the issue. yet, he keeps things simple and practical. I wish most pastors were this way. yet, most pastors and Christians alike have the attitude I don't do anything wrong because im a Christian

I read this as an assignment, then did a character study on Nehemiah. I got a 97% I truthfully enjoyed reading this book.

Brilliant. Leadership and accountability are two of the most important characteristics a person needs if one is to be effective in being a good leader. This book gives an excellent biblical example of how to do this, especially during hard and trying circumstances. Well worth the read

One of the best book on spiritual leadership I've read. It is also one of the best studies of leadership in Nehemiah I've seen.

Great book on leadership, but can preach many things from it background information. Swindoll does a great job with Jeiwsh history and what evolved around bringing the Jews back to Canaan. Appreciate the simplicity of to purchase ebooks, download them, and the great variety they offer.Pastor Ron Jones

Just as the Temple of God was built, one brick a time. God will do the same in your lifeas He mold you into a son that will glorify Him.Praise God!!!!!!!!!!!!

It was an excellent source to help me prepare a series of Bible lessons from the book of Nehemiah

to a group of women in a retirement community.

this is a very good nice Bible Study book.
