Synopsis

Ever since the first century, Christians have regarded Isaiah as a high point in the Old Testament prophetic literature. Its themes of messiah and suffering servant, deliverance from exile and new creation--to name a few--have been viewed as reaching particular fulfillment in the gospel. Then too, the impact of Isaiah on the church's language of worship and hymnology, and on the Western tradition of art and literature, is beyond measure. The book of Isaiah has also received more than its fair share of scholarly examination, with various theories of its origin and composition proposed. Originating in a 2008 Tyndale Fellowship conference on Isaiah, Interpreting Isaiah presents some of the most significant evangelical scholarship on Isaiah today. Essays on recent scholarship and the theology of Isaiah offer valuable overviews that bring readers abreast of current understanding. And more sharply focused studies in particular Isaianic themes and texts explore issues and exercise methodologies that will interest and reward diligent teachers and preachers of the Old Testament.

Book Information

Paperback: 287 pages

Publisher: IVP Academic (August 22, 2009)

Language: English

ISBN-10: 0830837035

ISBN-13: 978-0830837038

Customer Reviews

"A companion for all seriously engaged in studying the book of Isaiah." (International Review of Biblical Studies, 2008-2009)

David G. Firth is Old Testament tutor and head of research at St. John's College, Nottingham, England. He is the author of 1 & 2 Samuel (Apollos Old Testament Commentary), The Message of Esther, and The Message of Joshua, and he is the coeditor of Interpreting the Psalms, Interpreting

Isaiah, and Words & the Word.H. G. M. Williamson is Regius Professor of Hebrew at Oxford University, on the faculty of The Oriental Institute and a Fellow of the British Academy. He is the author of several books and numerous articles on the Old Testament, including commentaries on 1 and 2 Chronicles, Ezra and Nehemiah, as well as The Book Called Isaiah and Studies in Persian Period History and Historiography.

This book arrived fairly quick just as the seller said. Great piece on the over all massive work of the Prophet Isaiah. It give a different perspective to view the prophetic work and interpretation for any teacher or lay member.

I'm glad I got this as a resource to have on hand for understanding Isaiah. I don't really know what else to say. Good resource if you are looking to have one on hand.
