Customer Reviews

BEAUTIFUL songs! I just received my book today and was playing a few of the songs. They sound just like the songs from his albums. I'm very pleased!!!!One down-side... It's not spiral bound.NOTE TO PUBLISHERS: PLEASE PLEASE publish your piano song books in a spiral-bound format. I don't understand why anyone would publish a piano book in a non-spiral format. It makes no sense!

Nice arrangements. Moderate difficulty level. I already have my favorties in the book.

I just love Brickman. I hear his songs played on iheart - The Piano Guys Radio all the time. I especially love Valentine.

A gift. All songs were my favorite.

As an intermediate player, I've struggled somewhat with this music, but once I've accomplished all the notes, chords, etc. I absolutely love it. The music is enchanting. I think I've fallen in love with Jim Brickman!

This was a gift to my grandson who request it. So I'm sure he loves it.

Very nice collection of hits. They were not as challenging as I expected. Mostly intermediate level.

Easy to read. Great songs.
