Synopsis

Bonsai brings serenity to the home with beautiful miniature trees in idyllic container landscapes. Now DK brings this ancient practice into the 21st century, explaining how to grow and care for bonsai trees with a clear step-by-step approach. Offering easy-to-follow advice and simple photography, Bonsai demystifies the art of bonsai with sequences covering the traditional styles of Chokkan, Moyogi, Shakan, and Kengai, as well as deadwood bonsai styles such as Ishizuki, Yose Uye, and Sharimiki. For bonsai enthusiasts in search of fresh ideas, innovative techniques, and new ways to display their living art, Bonsai is the must-have book of the season.

Peter Warren is an internationally renowned bonsai artist based in London who spent six years training in the traditional manner as an apprentice to a Japanese bonsai master. Since completing his studies Peter has travelled far and wide teaching and working with bonsai collectors and enthusiasts across the globe on a mission to bring the best of Japanese bonsai to the rest of the world, and his creations are exhibited at the highest level in Japan, the US and Europe. Peter regularly writes and translates articles for online and print publications including Bonsai Focus, International Bonsai, and Transparent magazines. --This text refers to an out of print or unavailable edition of this title.

Good book, good pix, wish it had a little more content.

DK Publishing books are always beautifully put together and "Bonsai" is exquisite. Packed full of easy to follow instructions and richly illustrated. I have hope I'll keep my bonsai alive! Highly recommended!

Quality photos. Just enough for anyone 'toying' with the idea of getting into Bonsai. Excellent pictures and information for any buyer.

Great book lots of information!

Beautiful book with great photos and instructions. I bought it as a gift and didn't get to read too much, but it seemed like it would be great for someone starting this hobby.

Excellent step by step instructions with great pictures. I highly recommend for the beginning to intermediate bonsai enthusiast!

Perfect book for learning bonsai.

great book great shape
