Customer Reviews

"Much like an actual cat, this book manages to be funny, weird, and lovably adorable all at the same time. You will love Pusheen and you will love this book." (Matt Inman, founder of TheOatmeal.com and author of How to Tell if Your Cat is Plotting to Kill You)"Pusheen is what everyone else wishes they had come up with after the internet was invented. It is also possibly the reason the internet was invented in the first place. Now that it’s a book, I fully expect it to resurrect the print industry as a whole." (Kate Beaton, author of Hark! A Vagrant)"Pusheen is easily the most charming of all internet cats!" (Anthony Clark, www.Nedroid.com)"I thought I was tired of cat gifs until I discovered

Pusheen." (Jeph Jacques, www.QuestionableContent.net)"Pusheen is a little bouncy marshmallow of a cat who perfectly combines absolute cuteness and absolute trouble, which is, as all cat lovers know, why we love them." (Jess Fink, author of We Can Fix It)"When it comes to famous Internet cats, Pusheen rules the litter box. The cute plump feline is Tumblr's premier kitty. With clean and simple shapes, Claire Belton's cartoon is a mix of Hello Kitty's cuteness and Felix the Cat's adventurous spirit." (Fernando Alfonso III, reporter at the Daily Dot)"Pusheen teaches us how to LIVE: Nap as hard as you party. Seek out the small joys in life, and eat them. Eat everything. And keep moving." (Will Zweigart, creator of Cashcats.biz and Sketchy Santas)"Pusheen is the most adorable, squishy little nugget of felinity that has ever graced the fair pages of my Internet browser. I want to eat her, like a tiny grey cute-flavoured marshmallow." (Gemma Correll, www.GemmaCorrell.com)Ã¢â ¬Å“Claire Belton has made Pusheen one of the worldÃ¢â ¬â„¢s great characters. The talent and imagination [here] could power enough love to save the world. If Pusheen doesnÃ¢â ¬â„¢t capture your heart, I will personally refund your money.Ã¢â ¬Â• (Fred Seibert, Frederator Studios)Ã¢â ¬Å“This was too freakinÃ¢â ¬â„¢ cute. Ã¢â ¬Â¦ How can you resist?Ã¢â ¬Â• (The Armchair Librarian)Ã¢â ¬Å“It's hard work being a kitty, and we get to learn all about it in Clare Belton's I Am Pusheen the Cat. Ã¢â ¬Â¦ great for any cat-lover.Ã¢â ¬Â• (Geek Lit Etc.)Ã¢â ¬Å“I Am Pusheen the Cat is an adorable collection of short comics that are based on a series of internet memes that have become wickedly popular (and for good reason!). If it were possible to die of maximum cuteness and hilarity, I probably would've done so over this brief read.Ã¢â ¬Â• (Writing Through Rose-Colored Glasses blog)

Claire Belton is an artist and entrepreneur based in Chicago. She spends her time petting cats, drawing cats, and pursuing cat-related endeavors.

This book is a comic like book that is about the cat Pusheen and her adventures through her kitty life. This book is very easy to read and would be great for children. This little book had the cute meter overflowing with cute and funny antics that Pusheen got herself into. The book is also very insightful in an educational way about real cats and how they should be treated and respected.I loved this book and I might even buy a copy of it to have in my my collection on my bookshelf (has only a digital copy). This book was EXTREMELY cute and funny and I know kids and adults would love it. Everyone needs a little Pusheen in their lives!

"I Am Pusheen the Cat" contains the adorable illustrations of Pusheen living her life, as an

every-cat. If you’re not familiar with Pusheen, she is a grey tabby cat whose name translates from Irish Gaelic to "kitten". She has a zest for adventure and an equal love of food.Many of the stories and comics, featuring Pusheen and occasionally her sister Stormy, are comics that long-time Pusheen fans will no doubt recount with joy for the second (or third, or fourth...) time. Newcomers to Pusheen will undoubtedly be enchanted with her all the same from the collection in this book.The quality of the book itself is superb, and the pricing is on par as such. "I Am Pusheen the Cat" is a fantastic book to share with all ages. This book is perfectly Pusheen.

Delightful, absolutely delightful. I bought this for my 9 year old daughter, who ADORES anything Pusheen, but I found myself giggling right along with her as we leafed through the pages of this book. Page after adorably illustrated page, each cuter than the last, Pusheen traverses through her favorite pastimes (eating, napping, being lazy, and looking fancy), her favorite seasons and holidays.This book is Pusheen perfection.

This is very cute. Yes, it is a collection of things about cats shown in the form of Pusheen. Yes it is 125 pages of pictures with a few words on each. So, basically a collection of cat memes. I’m not sure why anyone would expect anything but that. As it stands it has adorable illustrations and cute blurbs that cat owners will relate to. And, it is enjoyable for young kids if you know how to read to a kid by making voices, etc. My 3 year old giggles and laughs. We laughed too. The book itself is good construction. If you are expecting Tolstoy don’t order this.

I have never seen my 6 year old laugh so hard for so long. We read this together and it created an amazing memory for me of her giggling the entire way through the book. We still laugh when we read it.

AWESOME BOOK!

"I Am Pusheen the Cat" is absolutely adorable.I bought it as a gift for a cat-loving friend, and I was impressed with the quality of the book. The cover is glossy, the pages are thick, and each story brought a smile to my face. The cartoons are hilarious, and really resembled my cat’s personality.I would definitely recommend this book to cat-lovers, people who just want to laugh and smile, or anyone who wishes they could sleep on a marshmallow.

It is SO cute! I love this charming little cat and her little friend! Can’t wait for the next Pusheen book!
