Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world’s radar. Around here, we’re more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher’s Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 250,000 copies in print) and frankly startled us with its success. Ã Â We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for these high-quality, light-hearted books and feature over 40 such titles in a continually-expanding line.

What can I say? The photography in these calendars is always beautiful, and this is no exception. If you love Gypsy Vanners, you’ll love this calendar; if you don’t know the breed yet, get the calendar and you WILL fall in love!

Very nice

I absolutely love this calendar! I don't think I've ever had a calendar I enjoyed as much as I do this one! Every picture is beautiful, every month has several pictures. All the horses are described, name, age, height, it's so neat!!!

I try to get a Mark Barrett Gypsy Vanner calendar every. It is especially nice since I know some of the owners. Beautiful, colorful critters, known for their strength, small size, and big friendly personalities.

This was a gift for my daughter. I think these horses are the most glorious creatures on earth. Wish I could see them up close.

I ordered this calendar for my granddaughter and was wishing I had ordered one for myself. I loved it, so did my granddaughter.

Beautiful calendar! I purchase one every year for my teenage daughter.

High Quality- heavy weight paper that doesn't droop!
