Synopsis

Why are so many youth programs struggling to find depth in their studentsÃ¢â ¬â„¢ Christian walks? Why are so many students weak in their faith and fleeing the church after graduation? Perhaps itÃ¢â ¬â„¢s because they have merely inherited someone elseÃ¢â ¬â„¢s Jesus. TheyÃ¢â ¬â„¢ve relied on what their family, friends, or pastors have told them about Jesus rather than discovering the living Lord themselves.A true storyteller and a teacher with a heart for ministry, Mark Hall traces the downward spiral caused by spiritual compromise with the world, and then charts the upward road to wholeness and restoration that comes when we claim our very own Jesus. When that happens, believers experience authentic fellowship with the one living God. Through fascinating personal stories, scriptural insights, and discussion questions for practical interactive study, Your Own JesusÃ¢â ¬â ¢Student Edition will set readers free to live without compromise with the Jesus they come to know intimately and love fully.

Why are so many youth programs struggling to find depth in their students' Christian walks? Why are so many students weak in their faith and fleeing the church after graduation? Perhaps it's because they have merely inherited someone else's Jesus. They've relied on what their family, friends, or pastors have told them about Jesus rather than discovering the living Lord themselves. A true storyteller and a teacher with a heart for ministry, Mark Hall traces the downward spiral caused by spiritual compromise with the world, and then charts the upward road to wholeness and restoration that comes when we claim our very own Jesus. When that happens, believers

Mark Hall is a true storyteller and a teacher with a heart for ministry. He is lead singer and songwriter for the Grammy Award-winning band Casting Crowns, whose first three albums have sold nearly four million copies. He has been in ministry nearly twenty years and has served at Eagle's Landing First Baptist Church in McDonough, Georgia, for the last eight years. Mark admits heÃ¢â ¬â„¢d be overwhelmed by lifeÃ¢â ¬â„¢s demands were it not for his wife of nineteen years, Melanie, who also serves as Casting CrownsÃ¢â ¬â„¢ road manager. Even on tour, Mark and Melanie homeschool their four children: John Michael, Reagan, Zoe, and Hope.Tim Luke serves as executive pastor of EagleÃ¢â ¬â„¢s Landing First Baptist Church, where he has been on staff for nine years after serving as editor of In Touch magazine, the devotional magazine of Dr. Charles StanleyÃ¢â ¬â„¢s ministry. Tim worked as sportswriter for ten years, the last four as a beat writer covering the Atlanta Braves. He has been married to Karen for twenty years and has two sons, Jacob and J.P.

I love the way that Mark Hall writes - he writes books just like he writes his music for Casting Crowns - beautifully and from the heart. Learning so much. Can't wait to read his other books as soon as I'm finished with this one. Inspirational and filled with testimonies that will help any Christian struggling to live in this fallen world. Praising God for working through Mark Hall in so many ways. I pray that this book reaches the hearts and minds of many.

This book reminds me of the Gospel of John in the sense that it uses simple vocabulary and grammar, but it is full of weighty insights and thoughtful probes of the reader's heart and walk with the Lord. It is just as applicable for adults as pre-teens and up. The basic point it walks the reader through is if "your Jesus" is personal, if he is walking with you in a personal way in your life, as this is the only way your life will be transformed and you will be able to walk in power and confidence even when things get tough around you. I highly recommend this book.

I like this book but in my mind I am comparing it to Mark's other book, "The Well", which I enjoyed much more. I found this to be good but I found that I didn't want to put "The Well" down. Anyway,

Mark Hall is a terrific writer and I enjoy his messages. I am going to give this another read soon and see if I appreciate it more than the first time.

Another great book by Mark Hall. Great singer, great author!

One of the best books I have ever read, also by one of my favorite authors. I thoroughly enjoy reading his books. They are always informative and to the point.

I highly recommend this book. There are so many lost in the church because the church does not teach it’s members that they can have a personal relationship with Jesus. Their OWN Jesus. Get this book not so you can have her Jesus or his Jesus, but so you can have your very own Jesus. His arms were meant for *you*. We all need to wake up and see that truth!!!Mark Hall has such a great way of telling stories and drawing you in to what he is trying to communicate to you. This book spoke volumes to me! The Slow Fade was my favorite chapter. So much insight! This book was a huge encouragement to me in my own personal walk with my Jesus.Put a copy in your cart and enjoy reading it! :)

Great Book for a bible study.

Mark Hall is amazing....his books, his songs, his way with words. Great read.
