thanks loved it

What Grows Here?: Favorite Plants For Better Yards: Volume 2 - Problems by gardening expert Jim Hole is the sequel to his first volume "Locations" in which he focused on analyzing the wide array of environments and conditions which a homeowner might encounter and have to take into account when planning or developing a garden. Now in the second volume of what is proving to be an outstanding series, Jim Hole focuses on "Problems’, those challenges (both mundane and bizarre) that a homeowner faces in establishing and maintaining a garden. Enhanced with more than 400 full-color photographs, tips from other successful gardeners, and advice from one of Canada’s most accomplished gardening professionals, "Problems" profiles the best plants to use to overcome each and every type of gardening problem. What Grows Here?: Favorite Plants For Better Yards: Volume 2 - Problems is a welcome and much appreciated addition to any personal or community library gardening reference book collection.
