Book by Carl Yastrzemski

I found this book in my high school library back in 1970. Even as a girl, I loved it. I bought it and had it for years before someone borrowed it and I lost it. I mourned. Don’t know why it took so long for me to buy it again. It is a really good story and I was a Boston fan as long as Yaz was playing. I haven’t re-read it yet, but have such pleasant memories of it.

This was Carl Yastrzemski’s first autobiography. It was written right after Yaz won the Triple Crown and the Red Sox won the American League pennant. Good book, but obviously it only covers a small portion of Yaz’s career. He comes across as a nice, hard working guy. But he was wrong about something he wrote here. He predicted that he and the Red Sox would win many more pennants, but in fact the Sox only won the Championship one more time while Yaz was with the team, eight years later.

The autobiography of Carl Yastrzemski, written right after the "impossible dream" seaso. The nstory of the son of a potato farmer, whose father maintained a semi-pro ball club to give Yaz a chance to play. 192 pages.

I thought this book was informational and talked alot about baseball and the old days.
