Synopsis

The Pocket Guide to Legal Research is a comprehensive desk reference for use by paralegal students, practicing paralegals, legal assistants, and attorneys. The format allows the user to quickly obtain the answer to many commonly encountered research questions concerning case, statutory, secondary authority, Internet research, and legal citation. A glossary of relevant legal research terms is included, along with three appendices covering court opinion, elements of statute, and a research source chart. Written in a non-technical manner, this book is an appropriate resource for learners at all levels.

Customer Reviews

"Being familiar with the quality of books by this author and the ever comprehensive and useful format in which they are done, I would not hesitate to adopt the book." Sheila McGlothlin, Paralegal"It was a pleasure to review this book. It is one of the best overviews of legal research and analysis that I have seen in years." Paul Anderson, Associate Director, National Sports Law Institute, Marquette University

William Putman is a lawyer and former instructor in the programs for Legal Assistant Studies at Central New Mexico Community College in Albuquerque and Paralegal Studies at Santa Fe Community College. A member of the New Mexico Bar since 1975, he received his Juris Doctor degree from the University of New Mexico School of Law.

product was as described, arrived on time. Would buy again and from same vendor.

I love the detail of instruction. It also recommends numerous sources to research. It will remain a tool in my toolbox.

This product is great if you are entering the legal profession, equipped with legal terms, introductory formats, and much more writing skills are included as well. Definitely a guide to help you in the introduction of legal research. It helped me tremendously. Again, this is only if you have 'NO' legal background information and are trying to seek out a book that will help you become more familiar with legal formats, terms and definitions.

This book is EXCELLENT! I found this book to be an essential tool while completing my legal research and writing course. Had it not been for the detailed examples in this book I would have not done as well in my coursework. I highly recommend this book for those considering careers in the legal professions. This is a keepsake item for years to come.

Got this for a core course in my paralegal program. Very handy guide to have, I've referred to it quite a few times. Thanks!

The book has been a lifesaver for me, while attending college classes
ÃƒÂ Ã Å¸Ã â ˆÃ Â•ÃƒÂ Ã Å¸Ã Â•Ã Â

This book is a lifesaver. I am working on my Paralegal degree and couldn't survive without this to help me along.

This book is critical in my legal research class. Anyone who is taking a legal studies class or a legal research class will find this book to be extremely helpful. I recommend this book 100%.
