Synopsis

(Vocal Collection). For aspiring and professional singers who love Broadway, Alfred's Singer's Library of Musical Theatre presents an elegant collection of the best-loved musical theatre songs in their original keys, authentically transcribed from their original vocal scores. Perfect for study, and equally suitable for the most important auditions and performances, each volume is dedicated to a specific vocal range, and contains dozens of songs from a variety of shows that span decades of theatre history. Multiple volumes are available for each of four vocal ranges: Soprano, Mezzo-Soprano/Alto, Tenor, and Baritone/Bass. Authoritative historical and contextual commentary, audition tips, and 16-bar cut suggestions for each song make it the most useful and relevant song library of its kind. Titles include: Comedy Tonight (A Funny Thing Happened on the Way to the Forum) * Get Me to the Church on Time (My Fair Lady) * If Ever I Would Leave You (Camelot) * Make Them Hear You (Ragtime, The Musical) * They Call the Wind Maria (Paint Your Wagon) * Try to Remember (The Fantasticks) * and more.

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing

arts.

The CDs are great even if you just want to hear great music, but buy the book too with the words and all sorts of information about each song, the musical it appears in and the artist who sang it first. If you are looking for audition pieces as I was you'll find the information here more than just a little helpful. When I bought mine there were just a few copies left but I recommend the music as a great starting point. Find your voice and order the book.

Not just the sheet music but the accompaniment as well. Worth the price for all of the extra information included with the songs. If you are just getting into musical theatre this series will be a good place to start.
