The product got here quickly and exactly what I need. The only issue was it was claimed to be new, and the book cover is peeling. If I’m buying new I hope that the book does look brand new, not issues.

Very detailed

Has a lot of very good information. Unfortunately it is formatted in a very dull, dry way. It is a textbook, and it doesn’t try to be anything else.

It was a large price for an outdated edition. That’s why I had to return it.

Really good book. Wont resell this one. Great overview and a tonne of detailed info about approaches and strategies. I hightly recommend it for beginning counsellors!

Great textbook about psychotherapy/counseling practices

Good condition. No complaints

Great quality!!!
