Customer Reviews

This book has a little bit for everyone. There are a few pieces in here that are good for beginners, but for the most part it is for people who have at least some experience with the recorder. There are some very nice tunes in here. Most of them sound good on any recorder (soprano, alto, sopranino, etc.). A delightful collection of traditional Celtic pieces.

No issues.

Nice book, not quite as"beginner" as I was hoping.

I purchased this recorder and this Celtic music book. I have enjoyed it very much. I enjoy playing the recorder.

I received a new recorder for Christmas & am enjoying the book!

Just what I expected.

Great product and service

nice melodies
