Customer Reviews

This book was perfect for my fourth grader who wanted a little more than the music offered though school. These holiday songs were easy for her to learn with no help.

All of the songs are easy to play--a minimal amount of incidentals & 1/16th notes. This includes a plastic baroque descant/soprano recorder & it plays pretty well. It has now become one of my "travel recorders" that I pack along in a bag. I'm so glad I bought this book & recorder set.

I bought this book to help me learn the recorder. I'm 53 and told my self i was going to learn musical instrument this year. I,m still working on the Ode To Joy at the beginning of the book. I'm looking forward to learning the christmas songs.I thought it would help with learning if I know the song.

Perfect! My daughter just loves her recorder.. They play at school. She wished for one at home to "practice" This one seems to fit the bill & some. She loves the color & I love that it can be taken apart & easily cleaned!

Bought for Christmas - easy for kids to learn with a little help.

It's great not just for teaching my kid how to play the recorder, but because the music is written so simplistically, he can learn to play the music with the expression and emotion normal to the songs.

Mommy on piano, daughter on recorder, playing Christmas songs at Christmas are nice memories.

Very simple to read. Perfect book for a beginner.
