Franklin is every young childÃƒÂ¢Ã â ¬Ã â„¢s friend. They can instantly connect with the young turtleÃƒÂ¢Ã â ¬Ã â„¢s sense of adventure and enjoy watching him work through familiar problems

and solve them in his own way. All of them have been authored by Paulette Bourgeois and illustrated by Brenda Clark. They obviously made a wonderful team, since they have sold over 60 millions copies in over 30 languages. The stories are engaging and the pictures delightful. I love these books!!!

This book is outdated because it centers around film. Like the oldschool kind of film in a roll from the 80's. I read this book to a preschooler and she had no idea what was going on or what it kept referring to.

My toddler is absolutely in love with the Franklin books. They are beautifully illustrated and they are the perfect length for a bedtime reading. You can stop and discuss these stories with the young kid and relate them to real life behavior and they are a great teaching tool.

I love the Franklin series. Young kids respond to the dilemmas and difficulties that Franklin experiences. they offer honest ways to deal with problems. I use these in my Character Education program at school. Keep 'em coming!

I first started buying franklin books in Canada and after moving to Switzerland 4 years ago, I had trouble finding good children's books. Franklin the Turtle is great for learning, plus the illustrations are very wonderful! The kids love them!
