Synopsis

The long-awaited memoir from a counterculture legend.Cheech Marin came of age at an interesting time in America and became a self-made counterculture legend with his other half, Tommy Chong. This insightful memoir delves into how Cheech dodged the draft, formed one of the most successful comedy duos of all time, became the face of the recreational drug movement with the film Up in Smoke, forged a successful solo career with roles in The Lion King and, more recently, Jane the Virgin, and became the owner of the most renowned collection of Chicano art in the world.Written in Cheech's uniquely hilarious voice, this memoir will take you to new highs.

Customer Reviews

Cheech Marin is an actor, director, comedian, author, musician and Chicano art collector. He's also half of a comedy duo called Cheech and Chong, man.

I was a young child when Cheech and Chong we're at the height of their popularity so I am not a "fan" of theirs. But I did enjoy reading this book as Cheech Marin narrates and tells stories of his life well, also giving his perspective of historical times (ie the Vietnam War).

I'm very pleased with the book I never realized how many Stars and celebrities they met in the Early part of there career. Good reading and funny.

Enjoyable book, learning about Richard Anthony "Cheech" Marin. Well-written, with enough interesting anecdotes and one-liners to keep the reader amused.

I’m a big fan of Cheech. So reading his bio was great. I learned a lot. Like his childhood.

My husband really enjoyed it

An excellent read.

Intresting

Very fascinating. He has lived a great and interesting life. A must read from beginning to end. Again very good book.
