Synopsis

A group of resourceful kids start "solution-seekers.com," a website where "cybervisitors" can get answers to questions that trouble them. But when one questioner asks the true meaning of Christmas, the kids seek to unravel the mystery by journeying back through the prophecies of the Old Testament. What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, The "S" Files is a children's Christmas musical your kids will love performing.

Definitely the hard version. It's so hard to shop for music on the internet... it's not unplayable, but as the tempo is super fast... it's gonna take me forever to learn it. I played piano for 8 years or so when I was younger and got back into it 4 months ago... I play most days so getting better, but I would say this is advanced piano... maybe even the concert arrangement. It's my favorite song, so I'll eventually get it.

This is one of my favorite pieces! I just love it and fortunately it wasn't too easy or too difficult. For sure it will take some time to learn how to play it (since it has severel sites) but it's worth it! No doubt.

Item was as expected. New. Perfect condition.

I was reluctant to buy sheet music online without the ability to look inside it, but I am very happy I took the risk. I needed a new concert piece, so I thought to myself, what better my favorite classical composition? I’m very pleased to find that this is a good transcription of the wondrous Moldau.I have been playing piano for about five years, so my skill level is somewhat intermediate. Sight-reading through the first pages, the piece is within my skill range, if that gives a semblance to it’s difficulty.
