Synopsis

Born into slavery, young Harriet Tubman knew only hard work and hunger. Escape seemed impossible--certainly dangerous. Yet Harriet did escape North, by the secret route called the Underground Railroad. Harriet didn’t forget her people. Again and again she risked her life to lead them on the same secret, dangerous journey.

Customer Reviews

My daughter absolutely loved this book! We read it together. Highly recommend.

This was an excellent book; well written, and fantastically interesting. A 3rd grader I mentor showed me a simpler version of Harriet Tubman’s story and was excited to have read it. I had an old copy of this exact book (different cover, earlier publication) that I read and was amazed at Harriet’s life. I had heard only the abbreviated, textbook version in my youth, so this was an eye-opener as far as understanding history. Her individual story makes that part of history come alive. I bought this copy so I could give my student this more detailed accounting of Harriet’s story. (Since she had so recently read the short version (golden book style), I told her to save it for summer.)I would certainly recommend this book to anyone with any interest in history, good biography, or just an engrossing story. It is all that. Harriet Tubman was an exceptional person. Much of the story is taken from notes

transcribed after each of her trips "driving" the "Freedom Train", so the facts were gathered contemporaneously to her adventures, making them probably more reliable and detailed. Read it, you'll like it.

A very informative book for young readers about the courageous life of Harriet Tubman. A truly remarkable woman and leader. The book was accessible and well written. My 7 & 8 year old enjoyed it very much. I, myself, learned a lot from this book.

Still a great story even after all these years! Very well written!

Bought for my Grandchildren.

This is a must read for anyone with an interest in history, especially Black history.

A great read!

One of my daughters needed this book for class but all three of them have read it!
