St Joseph Sunday Missal and Hymnal for 2017

Perfect for my needs in following Mass. Third year buying and highly recommend.

I really enjoy having the St. Joseph Sunday Missals which are annual releases each Fall. They are pocket sized and can be brought easily to any location to read, review. It is easy to follow the order of the Mass and there are many extras included. the price is very reasonable. I like having my own Missal at home so that I can review the readings and the Mass themes before the weekend services. The Treasury of Prayers, popular hymns and other extras are also helpful. I also buy extra copies for my elderly parents (shut ins) who use it watching the televised Sunday Mass. Since the cover is only cardstock, by the end of the year, if you use it regularly, it will show wear, but I am in month 10 and while used, still in very serviceable condition. Being a disposable you can clip the upper end corners and reference the current Sunday Mass readings and easily move from the Order Of Mass to the Specific readings, prayers for the week. I have been using this for 10+ years and will continue to do so as long as available. Highly recommended if you are looking for the annual, disposable (yet durable) Missal.I have also had/used the St. Joseph ABC 3 year cycle

Missals which are more permanent and those are about $20. Same easy to use format as this annual missal, just in the 3 year cycle mode...thicker book obviously.

I love having the readings available t to me before Mass, the size of the book is very portable. My church doesn't provide many missiles throughout the church, so I like to know I'm always able to follow along with the readings.

Even though most churches have missalettes in the pews, I like having my own copy to read and peruse throughout the day so I am familiar with the readings and to meditate with.

This is a great little missal that I keep in the car, so it's easy to grab it when I go to Mass. Good price and makes it very easy to follow the priest.

This is a wonderful, light weight, easy to read Sunday missal. It's much easier to handle than some of the heavy, large prayer books that are found in some parish churches. This is the second one I've purchased and I just hope they keep publishing it in the years to come.

Nice and compact. Always reliable and up-to-date. The weekly introductory gospel depictions leave something to be desired but can be overlooked knowing that we have the correct liturgy and readings for each Sunday from November to November. And the missal is light, and easy to carry along.

This St. Joseph's Sunday Missal was just what I was looking for. Reasonably priced and with a sturdy cover.The content seems up to date and I am looking forward to Sunday.However, thirteen days for delivery seems excessive. One gets used to Prime!D. A. Laughlin
