Synopsis

The Band of the Hawk may have been the most formidable band of fighters around, but when matched up against an army of abyssal monstrosities, earthly fighting skills donÃ¢â ¬â„¢t amount to a hill of beans. The HawksÃ¢â ¬â„¢ tortured and mutilated former leader, Griffith, has used the accursed Crimson Behelit to open the gates to a shadowy realm of unspeakable horrors, the realm of the demon lords of the Godhand, who are willing to transform Griffith into a being of terrible power and majesty as long as Griffith is willing to give up his former command as sacrifices in the Invocation of Doom. But nobody takes down the Hawks without a fight, and their berserker champion, Guts, will take on anything Hell can throw at him in order to save his lover, Casca, from the sordid violations that only Hell can offer.

Customer Reviews

Great series, this volume is by far the most important. It explains everything about the character and why the character is the way he is. Be warned, when I first read it I was in tears,. Berserk is greatness.

This is probably THE most crucial volume of berserk to read to understand why he turns into the Black Swordsman. Lot’s of reviews bash the added sound words that have been brought in.. This is true, it is quite irritating while reading but does not take the major effect of the volume away from the reader. This is still a very great volume to own. Was delivered earlier than estimated, no noticeable issues with the book.

Fantastic entry in the series with one of the most memorable Manga covers of all time

this is it, if you've seen the anime. the actual, unabridged version of the eclipse. that's all that needs to be said in my opinion. enjoy.

I have been a huge fan of Berserk for years. It's a great read for adults that like Dark Fantasy. No spoilers here if you want find out what happens you have to read it.

This is an awesome manga, I'm trying to buy them all because it has an interesting story and this manga is one that I wanted to continue with the story of the anime.

Amazing series.

Brutality with a purpose. This is just the beginning, yet after this volume you'll find no better reason for revenge. My favorite tale. Nothing else comes close to guts struggle against the odds.
