Customer Reviews

A Great read for all who are owned by cats. I loved the historical references. Laughed out loud many times.

I bought this as a present for my mother, but I read through it first. This comical book has lots of "instructions" for cats. I think all pet owners will see their kitties in this book. I'd say this book is comparible to the 'Dear Sparkle' books, with Dear Sparkle being a little bit funnier.

This book is one of the best,funniest books I have honestly ever read. It made me laugh out loud more than three times, which beats this book's sister novel, the Dangerous Book for Dogs. Read both of them. Now.

I have never laughed so much - It's funny when you are reading and then start laughing out loud- people really look at you funny, but...My cats could have written this book. It describes them to a tee. Any cat lover will love this book!

A must read for anyone owned by a cat. This is the Rule Book that you are supposed to have memorized.

Bought this for my supervisor (the Cat lover)but had a hard time putting it down once I started reading. I, myself, am in to dogs...as the cats wrote...we can't imagine why! It is fun, easy and inexpensive.

This is a cute book, it's funny because it's so true. We have three cats, one of them black, between the three of them, the nail is hit on the head.

Looks to be a very interesting book that will give the young lady I bought it for repeat reading for a very long time.
