Synopsis

Women who have maintained their sexual purity often ask, Ã¢â ¬Å“Is it really that important for me to wait until I get married?Ã¢â ¬Â• Meanwhile, single women who have been sexually active mourn the loss of their innocence, wishing they could somehow start again.Women want to protect the purity that is GodÃ¢â ¬â„¢s gift to them, and they also long to be loved. This volatile combination makes them vulnerable to temptation. That is why it is vital that women know not only that God wants them to wait, but why God wants them to do so. They need solid reasons, conviction, and a strategy that will prepare them to live out their sexual purity as God intends. Filled with powerful true stories of hope and healing, Gift-Wrapped by God provides compelling emotional and spiritual reasons for choosing GodÃ¢â ¬â„¢s path of sexual purity, as well as practical help for following it. Whether women have held onto their sexual innocence, have become prematurely sexually active, or have had their purity taken by force, they can express and fulfill their desire to come to their wedding day--and live out every dayÃ¢â ¬â œ-sexually pure and whole.From the Hardcover edition.

Customer Reviews

Every woman should read this book after turning 17 or before the date a boy/man. What a wonderful description of how our Father has created us to be given to our spouse but also the book reveals how to you can rewrap yourself if you find yourself unwrapped and in a new relationship. A book for all ages including newly single, dating divorcee/widow

great read

Linda and Lorraine gave me so much encouragement. God can restore my purity! I'm a single woman at 45 and dating again. God's truth presented in this book has transformed my mind. I lead women's ministry at my church and we will be using this book!

I purchased this book for some teenage young ladies at my church and they all said it was a great book! They really enjoyed reading it, and it gave them things to think about in their own pursuit of purity.

love it

This book is awesome! I bought it after browsing a friend's copy and it did not disappoint! Great study on purity. I am using it to prepare a series on purity for the teen girls at my church!

This is an amazing book to read, I would recommend it to every women out there to read it who still has moral sense and intelligence and wants to do things God's way.

It's wonderfully written with true stories. It's very relevant to today's culture full of sexual temptations and confusions. I highly recommend it to every parent who has daughters and to every woman who wants to understand their value in God's sight.
