Customer Reviews

'This is a lovely stylish introduction to opposites for adult and child to share. Little Mouse is here with a series of questions relating to opposites. On each spread there is a generously sized flap and before they open the flap, little ones can see if they know the opposite. The flap shows one picture, and under the flap is the opposite, for example rain and sun. TheÃ Â colourfulÃ Â pictures are set against a restful cream background. A lovely first concept book.' - Parents in Touch
