Customer Reviews

This is an essential textbook to have for fourth level nursing. It helps to more clearly understand your position in the hierarchy of the hospital or nursing skills necessary for management and delegation.

Easy nursing book to read unlike others that I have come across. It gives great situations and examples throughout the book. Short and straight to the point

Sold as described (New), and came within time fram

Required for class. Short chapters with easy to read text.

Its what we needed.

just perfect

accurate description and fast shipping

Very informative.
