Customer Reviews

Todd Caudle is an award-winning photographer whose photos have appeared in a wide variety of regional and national publications, including Backpacker, Rolling Stone and Shutterbug magazines, as well as in Sierra Club calendars. He is the photographer of several books on Colorado, including his latest, "Colorado Wildflowers" and "Pikes Peak - Above the Clouds," both available on .com.

Never been to Colorado, really have no particular interest in the state, but this is the best wall calendar for writing little notes and reminders on the date with some nice scenery to boot.

Nice Colorado wall calendars.

Gave as a gift and my friend was thrilled. Big, beautiful pictures and great quality of paper. Will order from this company again.
